Programs We Support

We support programs that educate, care for the health of our community members, and that support them in their time of need. We also support programs that empower individuals to grow, learn, and develop the necessary skills to become successful. We are proud of the fact that all money raised here, stays here to support our neighbors.

CRISIS STABILITY

Over 159,000 meals served, packed, or delivered to those in need

Over 700 trips to cancer-related appointments accrued, in addition to providing prescriptions, medical equipment, supplies & wigs

Your donation changes lives

A Meals on Wheels couple saved a client's life by informing Services for Aging – Senior Enrichment Centers that their client was not eating his meals. They called for a well-check and the individual was taken to the hospital. After a few weeks, the man called to let them know he was days away from losing his life.
